

Our Values

Accountability

We accept responsibility for our actions and our performance. We expect to be measured on our effort, commitment and results in delivering best-in-class quality service.

Collaboration

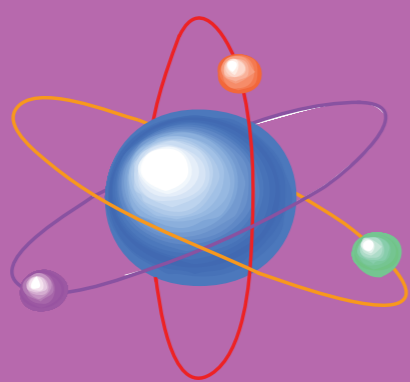

We recognise the importance of working together co-operatively as one team and where we encourage learning, feedback, sharing knowledge and supportive communications to achieve our organisational goals.

Excellence

We strive to be a quality organisation, focused on continuous improvement of our activities and the provision of superior and cost-effective solutions to our partners.

Innovation

We understand the relationship between our success and our ability to embrace change as being the creative key to finding and maintaining competitive advantage.

Integrity

We expect honesty and consideration in our dealings with one another and behaviour consistent with an agreed set of Values in an environment where trust, open communications and supportive feedback are the norm.

Recognition

We acknowledge and value the contribution and effort of all individuals who strive to achieve the Vision and Mission of the organisation by successfully meeting its Goals.

Respect

We will treat one another with courtesy and consideration and in a professional manner where the individual is as important as any team or the organisation itself.
