

Survival of the fittest

supporting your business

Pillar's origins date back to 1919. We are now one of Australia's most successful providers of administration service solutions.

With over 400 superannuation specialists and expanding service capabilities, Pillar has the experience, expertise and technological know-how required to administer any fund in Australia.

We offer:

- ▶ comprehensive technological solutions
- ▶ superior performance standards
- ▶ award winning contact centre
- ▶ staff turnover of less than 5%
- ▶ strength, stability, security.

For more information on how we can support your business, contact Mike Turner:
